

AAPM 35 APA CE Credits

The following AAPM 35th Annual Meeting sessions have been reviewed and approved by the American Psychological Association's (APA) Office of Continuing Education in Psychology (CEP) to offer Continuing Education (CE) credit for psychologists. Full attendance is required at each session for which you are claiming APA CE credit. Partial credit is not awarded. The CEP Office maintains responsibility for the delivery of the session.

Approval #2019002.

Note: Claimants must also complete an online evaluation prior to receiving credit from APA. Instructions for signing up to receive APA CE credit will be available by late-February 2019. A \$100 fee to claim APA CE credit will apply.
