

12/17/24

Sayed Emal Wahezi, MD

*Associate Professor of PMR, Anesthesia, and Orthopedic Surgery
Montefiore Medical Center*

Sayed Emal Wahezi, MD

Board Certification

10/2018

American Board of Physical Medicine and Rehabilitation (ABPMR)
Re-Certification (Certified until 2029)
Maintainence of Certification up to date

12/2014

American Registry for Diagnostic Medical Sonography (ARDMS), Registered In
Musculoskeletal Sonography

8/2013

American Board of Medical Specialties (ABMS)
Pain Medicine Board Exam
-Maintainence of Certification up to date

5/2010

American Board of Physical Medicine and Rehabilitation (ABPMR)
Certification Step 2

8/2009

American Board of Physical Medicine and Rehabilitation (ABPMR)
Certification Step 1

Education

8/01 to 5/05

State University of New York at Buffalo.
School of Medicine and Biomedical Sciences
Doctor of Medicine

7/00 to 5/01

Boston University
Boston, MA
Masters in Medical Sciences Program

9/95 to 5/99

Long Island University/CW Post
Bachelor of Arts in Chemistry/Philosophy
Minor in Biology
Magna Cum Laude

Post Graduate Training

11/2022 to present

Albert Einstein College of Medicine at Montefiore.

Professor-Department of PMR, Anesthesiology, and Orthopedic Surgery

6/2017 to present

Albert Einstein College of Medicine at Montefiore.

Associate Professor-Department of PMR, Anesthesiology, and Orthopedic Surgery

11/13 to present

Albert Einstein College of Medicine at Montefiore.

Program Director-ACGME accredited Pain Medicine Fellowship

10/14 to 6/2017

Albert Einstein College of Medicine at Montefiore.

Assistant Professor-Department of PMR and Anesthesiology

11/13 to present

Albert Einstein College of Medicine at Montefiore

Program Director-ACGME accredited Pain Medicine Fellowship

7/11 to 11/13

Albert Einstein College of Medicine at Montefiore

Associate Program Director-ACGME accredited Pain Medicine Fellowship

Department of Physical Medicine and Rehabilitation

Division of Interventional Spine

7/12 to 6/13

Albert Einstein College of Medicine at Montefiore

Pain Fellow-Department of Rehabilitation Medicine

Department of Physical Medicine and Rehabilitation

7/10 to 6/12

Albert Einstein College of Medicine at Montefiore

Department of Physical Medicine and Rehabilitation

Division of Interventional Spine

Pain Fellowship Advisor and Instructor

7/09 to 6/10

Spine Technology and Rehabilitation

Interventional Spine and Musculoskeletal Fellow

Procedure Credentialing

Axial and Peripheral Nerve blocks

Axial and Peripheral Radiofrequency Ablation

Caudal adhesiolysis with catheterization

Celiac Plexus Blocks

Cervical and Lumbar Discography

Cervical, Thoracic, and Lumbar Facet injections

Cervical, Thoracic, and Lumbar selective nerve root blocks
Cranial nerve blocks (TGN, Glossopharyngeal nerve)
Dorsal Root Ganglion Neurostimulation
Inpatient Pain Management
Interventional Headache Management
Intrathecal Pain Pump management
Lumbar Sympathetic Ganglion Blocks
Minimally Invasive Lumbar Decompression (mild®)
Peripheral Nerve Stimulator Implantation
Percutaneous Disc Decompression (Hydrodiscectomy®)
Regenerative Medicine (PRP/Lipo-replacement)
Sacroiliac Joint Injections with arthrography
Spinal Cord Stimulator Implantation
Stellate Ganglion Blocks
Superior Hypogastric Plexus Blocks
TENEX percutaneous tenotomy
Ultrasound guided neural injections and chemolysis
Ultrasound guided joint injections
Vertebral Bone biopsy
Vertebroplasty
Kyphoplasty
Vertebral Body Tumor Ablation

7/08 to 6/09

Albert Einstein College of Medicine at Montefiore
Chief Resident-Physical Medicine and Rehabilitation

7/06 to 6/08

Albert Einstein College of Medicine at Montefiore
Physical Medicine and Rehabilitation Resident

5/05 to 6/06

Cornell University, New York Hospital-Queens
Preliminary-Internal Medicine Internship

7/07 to present

Albert Einstein College of Medicine at Montefiore
Collaborative IRB Training Initiative (CITI) Program certified

Clinical and Academic Committees

12/2024 –current

Journal of Pain Research. Ad hoc Editor and Reviewer.
Elected to revise and select submitted papers for publication.

12/2024 –current

Pain Management. Ad hoc Editor and Reviewer.
Elected to revise and select submitted papers for publication.

2024

**New York and New Jersey Pain Congress
Course Director for the 2024 Annual Meeting**

Nominated by a Committee of International Pain Medicine leaders to create educational content for the largest Pain Medicine Meeting in the East Coast

2024

AAPM Chair of Membership Committee

Nominated by The AAPM Board of Directors to Direct the Scientific Mission of the AAPM

2024

AAPM Vice President for Scientific Affairs

Nominated by The AAPM Board of Directors to Direct the Scientific Mission of the AAPM

2024-2025

**American Academy of Pain Medicine (AAPM)
Board of Directors**

2021-2024

**American Society of Regional Anesthesia (ASRA)
Director of Annual Meeting Fellowship Educational Committee**

Selected from large pool of national candidates I was tasked with creating an academic schedule for trainees

Elected as a decision maker to structure one of the largest and oldest Pain societies in the world into the next phase of the clinical era.

2023-2025

**American Society of Regional Anesthesia (ASRA)
Excellence in Education Award Committee**

Recognize the best fellows in the country, as identified by their peers

11/2022-11/2024

**Association of Pain Program Directors (APPD)
Chair of Research Committee**

Nominated to be the Director of Pain Education Research within the largest national organization for Pain Medicine Education. Tasked with approving and creating pain education projects.

2023-2024

**American Academy of Pain Medicine (AAPM)
Membership Committee Chair**

Elected to be the leader of a committee to increase Pain practitioner engagement by assessing and increasing value propositions to expand the AAPM footprint across the country.

2023-2024

American Academy of Pain Medicine (AAPM)

Annual Preconference Educational Session Chair

Develop an advanced lecture series for all Pain Medicine practitioners around the country.

2023-2024

American Society of Regional Anesthesia (ASRA)

Fellow and Resident Chapter Special Interest Group

Direct the future of trainees through ASRA educational initiatives.

2022-2023

American Society of Regional Anesthesia (ASRA)

Fellowship Educational Course Chair

Created an advanced lecture and workshop series for selected fellows around the country.

2022-2023

American Society of Regional Anesthesia (ASRA)

Board of Directors

Tasked to navigate one of the largest and most respected Pain Medicine Organization into the next generation of clinical and academic excellence

11/2022-11/2023

Association of Pain Program Directors (APPD)

Immediate Past President

With the help of our Board and national experts we steered the Association to unprecedented growth and opportunity from 11/21-11/22.

2021-2023

Montefiore Physician Leadership Program

Selected from a Pool of exemplary candidates within the Montefiore Health System to learn strategies to become a future administrative leader.

2021-Current

American Society of Regional Anesthesia (ASRA)

Member on the Excellence in Education Awards Committee

Tasked to select Leaders in Acute and Chronic Pain Medicine

2021- Current

American Society of Pain and Neuroscience (ASPN)

Co-Chair Education Council

Tasked to create and moderate National Programs in Pain Medicine Topics

11/2021-11/2022

Association of Pain Program Directors (APPD)

President

National Association comprised of Academic Leaders with a purpose to direct the course of Pain Medicine clinical training. *The only Physiatrist who has won a Board position in this organization since its inception in 2006.*

11/2020-11/2021

Association of Pain Program Directors (APPD)

President-Elect

National Association comprised of Academic Leaders with a purpose to direct the course of Pain Medicine clinical training . *The only Physiatrist who has won a Board position in this organization since inception of the Association.*

8/2020-8/2022

Spine Intervention Society (SIS).

Evidence Analysis Committee

Board Member

Elected Member on this *International Council* to create International Evidence Based Guidelines in Spine Intervention and Pain Management

11/2019-11/2020

Association of Pain Program Directors (APPD)

Elected Member-Secretary/Treasurer.

National Association comprised of Academic Leaders with a purpose to direct the course of Pain Medicine clinical training . *The only Physiatrist who has won a Board position in this organization since inception of the Association.*

2019-Current

Ad Hoc Editor

Pain Medicine Journal

Tasked to review Interventional Pain Medicine and Graduate Education related Pain Medicine articles.

4/2018-2021

Montefiore/Einstein Promotions Committee Member

Elected for three consecutive years as member to guide the Development of Physician Academic careers.

11/2018-11/2019

Association of Pain Program Directors (APPD)

Elected Member-Board of Directors

Nominated from a pool of nationally recognized candidates to direct the clinical and political issues of academic Pain Medicine. *The only Physiatrist who has won a Board position in this organization since inception of the Association.*

4/2019 to 2020

New York Pain Society (NYPS) Board of Medical Directors

Nominated enact and execute plans to improve the clinical and educational practice of Pain Medicine throughout New York City and New York State

12/2018 –current

Pain Physician Journal. Editor and Reviewer.

Elected to revise and select submitted papers for publication.

6/2017 to present

American Society of Interventional Pain Physicians (ASIPP).

Expert Spinal Stenosis Panel Member. Tasked to develop national guidelines on treatment of Lumbar Spinal Stenosis

3/2017 to present

American Academy of Pain Medicine (AAPM) Membership Committee

Elected position from a pool of National candidates. Tasked with Directing the Future Membership strategies for AAPM

11/2015 to 11/2018

American Pain Association (APA) Board of Directors,

Elected position from a pool of national candidates. Committee addresses national Pain management policies.

8/2015 to present

Editor Knowledge Now, an American Association of Physical Medicine

(AAPMR) Rehabilitation online journal. Elected from a pool of national candidates

4/2015 to present

American Medical Association (AMA) Pain Medicine Expert Panel Member

Nominated by National Peers to represent PMR in development of AMA directed Multidisciplinary CME course for Pain Management

10/2015 to present

Reviewer/writer for AAPMR QBank 2015

Tasked to write questions for the PMR Standardized Assessment Examination

11/2014 to present

Reviewer for AJPMP- Archives of PMR 2014

4/2014 to present

Albert Einstein College of Medicine at Montefiore

Director of Multidisciplinary Pain Education Committee

Developed and organized institutional multidisciplinary meetings for academic and clinical improvement of Pain care

1/11 to 6/2012

Albert Einstein College of Medicine at Montefiore

Director of Pain Medicine Lecture Curriculum for PM&R residents

Developed and organized lecture schedule for 26 junior and senior residents

4/2014 to present

American Society of Interventional Pain Physicians (ASIPP)

Fellow/Resident Leadership and Development Committee Board member

4/2014 to present

American Society of Interventional Pain Physicians (ASIPP)

Department of Chairs and Program Directors (DCPD)

A committee for the improvement of Pain Medicine administration and education

9/13 to 9/2016

Program for Academic Leadership (PAL)

Sponsored by Association of Academic Physiatrists (AAP)

Peer reviewed induction, selected from a highly competitive pool of national candidates to be part of a program designed to develop administrative, academic, and research leaders within PM&R.

3/13 to present

Albert Einstein College of Medicine at Montefiore

Director of Interdisciplinary Pain Basic Science Research Committee

Developed and organized meetings for Anesthesia, Orthopedics, and PMR Pain related research with the intent to stimulate novel research projects

1/11 to 6/2012

Albert Einstein College of Medicine at Montefiore

Director of Orthopedic Lecture Curriculum for PM&R residents

Developed and organized lecture schedule for 26 junior and senior residents

1/11 to 6/2012

Albert Einstein College of Medicine at Montefiore

Co-Director of Musculoskeletal Ultrasound Curriculum

lectured 10-15 junior and senior PM&R residents in orthopedic physical exam techniques on a weekly basis

1/11 to present

Albert Einstein College of Medicine at Montefiore

Palliative and Chronic Pain Mentor

mentored Palliative Care fellows in Interventional acute and chronic pain

9/10 to present

Albert Einstein College of Medicine at Montefiore

Clinical Skills Curriculum Mentor

Counseled first year medical students in history and physical examination techniques in a private practice setting

Awarded perfect 5/5 rating in mentorship, teaching, and patient care

9/10 to 12/11

Albert Einstein College of Medicine at Montefiore

Admissions Committee -Dept of PMR

screened and interviewed applicants for admission to residency

9/08 to 7/09

Albert Einstein College of Medicine at Montefiore

Admissions Committee --Dept of PMR

Screened and interviewed applicants for admission to residency

4/07 to 7/09

Albert Einstein College of Medicine at Montefiore

Resident Representative for Quality Improvement -Dept of PM&R

Acted as resident and patient advocate as part of an integrative team to improve residency training and patient care

7/07 to 7/09

Albert Einstein College of Medicine at Montefiore

PM&R and anatomy Instructor-Dept of PMR

Educate medical students in Kinesiology with clinical correlations and Human Anatomy

Administration Experience

11/2012- 5/2013

Albert Einstein College of Medicine at Montefiore

Director of Administration-Pain Medicine Fellowship

Composed Specialty and Common PIFs for site visit

Created Pain Medicine Policy and Procedure Manual

*Program received 3 years accreditation with commendation

Relevant Experience

3/10 to 7/10

Med Plus Clinical Services

Clinical evaluator for SSI/Disability

Honors and Awards

2024

Castle Connolly Top Doctor Award

Rated one of the top 7% of Physicians Nationally

2023

Selected to The American Society of Regional Anesthesia and Pain Medicine ASRA's Spotlight.

Nominated amongst thousands of ASRA members as a valuable contributor to Pain education, leadership, and ASRA mission

2023

Elected as a Panelist for the creation of NIH clinical practice guidelines for postoperative pain in pregnancy

Selected from hundreds of physicians around the country

2023

Elected as Educator of the Year by the American Society of Pain and Neuroscience (ASPEN)

Selected amongst thousands of Pain physicians around the country.

2023

Selected to AAPM's Spotlight.

Nominated amongst thousands of AAPM members as a valuable contributor to Pain education, leadership, and AAPM's mission

2022

Selected to AAPM's Spotlight.

Nominated amongst thousands of AAPM members as a valuable contributor to Pain education, leadership, and AAPM's mission

2022

Matriculated into Montefiore Medical Center's prestigious Physician Leadership Program.

Selected amongst highly qualified Montefiore professionals to begin to plan the next branch of hospital leadership

2022

Selected to AAPM's Spotlight.

Nominated amongst thousands of AAPM members as a valuable contributor to Pain education, leadership, and AAPM's mission

2018-2019

Selected to SuperDocs®-Rising Stars List. Voted one of the Top Doctors in New York based on Peer Reviews

2018-2019

Selected to Best Doctors in America® List. Voted one of the Top Doctors in New York based on Peer Reviews

2014

American Society of Interventional Pain Physicians (ASIPP)

Silva K, Najafi S, Wahezi SE. Pain relief through percutaneous trochanteroplasty in a patient with bilateral trochanteric myelomatous lytic lesions. *Awarded top 5 best poster by American*

2013

Leo M Davidoff Award for Excellence in Teaching of Medical Students

Awarded by Albert Einstein College of Medicine

Most distinguished teaching award at Albert Einstein College of Medicine

10 awards/year distributed from 1976 to 2013

2011

American Society of Interventional Pain Physicians (ASIPP)

Percutaneous Arthrodesis of the Lumbar Facet Joint with use of Bone Cement in the Cadaveric Veal Spine. Oral Presentation. 2012 Annual American Society of Interventional Pain Physicians.

Washington, DC. *Awarded third best poster/original research*

2009

American Pain Society (APS) Young Researcher Scholarship

2001

**SUNY at Buffalo, School of Medicine and Biomedical Sciences
Alumni Scholarship (4 years)**

1999

Academic Excellence Award (Long Island University)

Awarded to the top 3 students in the graduating class

1997 to 1999

Long Island University/CW Post Honor's Society

1997 to 1998

***The National Dean's List* publication**

1996 to 1999

Aesculapius Pre-Medical Society *President*

1996 to 1999

**Beta Beta Beta Biological Honors Society-Psi Epsilon Chapter
*President***

1995 to 1999

Dean's List-Long Island University, CW Post

1995

Dean Maithili-Schmidt Scholarship for academic Excellence

Long Island University, CW Post

Awarded to top 20 students in freshman class

1995

Phi Eta Sigma Freshman Honor's Society

1995

The National Honor's Society Award for Academic Excellence

1995

Kathleen Gerla Scholarship (3 years)

Awarded to top 50 students in School of Liberal Arts

Professional Society Memberships

1/2020 to present

American Society of Regional Anesthesia and Pain Medicine (ASRA)

8/2020 to present

International Pain and Spine Intervention Society (IPSIS)

8/2020 to present

American Society of Pain and Neuroscience (ASPN)

1/2016 to present

New York Pain Society (NYPS)

10/15 to present

Eastern Pain Association (EPA)

1/09 to present

American Society of Interventional Pain Physicians (ASIPP)

01/08 to present

10/07 to present

Association of Academic Physiatrists (AAP)

7/06 to present

American Academy of Physical Medicine and Rehabilitation (AAPMR)

Industry Sponsored Research

Co-Investigator:

Subcutaneous and Epidural Neuromodulation System Evaluation (SENSE) Study for the treatment of Chronic Low Back and Leg Pain

Sponsor: St. Jude

IRB Approved 1/2014

IRB # 13-10-172

Principal Investigator :

MILD® ENCORE Percutaneous Image-Guided Lumbar Decompression versus Epidural Steroid Injections in Patients Diagnosed with Lumbar Spinal Stenosis Exhibiting Neurogenic Claudication.

Sponsor: Vertos

IRB Approved 8/2014

IRB# 14-02-294-01

*Top 3 Enrollers Nationally in this Multi-Centered Trial

Principal Investigator :

MILD® MOTION Percutaneous Image-Guided Lumbar Decompression versus Conservative Medical Management in Patients Diagnosed with Lumbar Spinal Stenosis Exhibiting Neurogenic Claudication.

Sponsor: Vertos

IRB Approved 8/2014

IRB# 18-02-282-01

*Top 3 Enrollers Nationally in this Multi-Centered Trial

Principal Investigator

DISTINCT Dorsal spinal cord STimulation vs medical management for the Treatment of low back pain.

Sponsor: Abbott

IRB Approved 11/20

IRB# 20-02-304-01

*Top 3 Enrollers Nationally in this Multi-Centered Trial

Principal Investigator

Study to Demonstrate the Value of Paresthesia-Free Fast Acting Subperception (FAST) and other SCS therapies using Wavewriter™ Spinal Cord Stimulator Systems in the Treatment of Chronic Pain-FAST Study (FAST)

Sponsor: Boston Scientific

IRB Approved 9/21

IRB#: 21-02-221-01

Principal Investigator

Patient Retrospective Outcomes (PRO)

IRB Approved: 6/21

IRB#: 21-08-230-01

Investigator Initiated Research

Principal Investigator:

Single Center, Randomized PROspective Study Comparing Percutaneous HydroDiscectomy to Transforaminal Epidural Steroid Injections in the Treatment Of Radiculopathy Secondary to Lumbar Disc Herniation (PROPHESOR)

IRB Approved 12/2014

IRB#: 2014-3750

Principal Investigator:

Evaluation of surgical procedures for Greater Trochanteric Bursitis Pain syndrome

(GTBS): A pilot study

IRB Approved 11/2019

IRB#: 2019-10877

Principal Investigator:

Neural Foraminal Dimensions: Anatomical and Radiological Correlation

IRB Approved 11/2019

IRB#: 2019-10877

Einstein IRB- 2019-10849

Principal Investigator:

Assessing the Efficacy of Virtual Reality Analgesia (VRA) in Adult Patients for Pain Control

During Spinal Injections

IRB Approved 06/2020

IRB#: Einstein IRB-2018-9613

Principal Investigator:

Sonographically Guided Percutaneous Interruption of the Coracohumeral

Ligament for the Treatment of Refractory Adhesive Capsulitis: Technique and Validation

IRB Approved 11/2019

IRB#: Einstein IRB- 2019-10958

Principal Investigator

Randomized Control Trial Evaluating a Novel Percutaneous Ultrasound Guided Interruption of the Coracohumeral Ligament for Range of Motion improvement in Patients with Restrictive Shoulder Capsule Pathology

IRB Approved 11/2020

IRB# Einstein IRB- 2020-11998

Study Title: "Radio Frequency ablation (RFA) outcomes of greater occipital nerve: A retrospective review"

IRB Number: 2021-13151

Bell E, Caparo M, Tran J, Chiu E, Dhall R, Ozcan A, Gitkind A, **Wahezi S**, Gritsenko K, and Shaparin N (November, 2023). *Visual Conundrum: A Rare Abdominal Calcified Mass Impairing Spinal Imaging During Interventional Pain Procedure*. Presented at the New York and New Jersey Societies of Interventional Pain Physicians, Pain Medicine Symposium 2023. Jersey City, New Jersey.
4. Anitescu M, Loudermilk E, Traonoor D, Noles J, Lee J, **Wahezi SE**, Wilson D, Pan A Goldberg E. Prospective Multicenter Outcomes Utilizing an SCS-System Designed to Engage Surround Inhibition Using Fast-Acting Sub-Perception Therapy. Presented at North American Neuromodulation Society Annual Meeting. Jan 2024 Las Vegas, NV
5. Anitescu M, Loudermilk E, Trainor D, Noles J, Lee J, **Wahezi SE**, Wilson D, Chen L Jain R. Clinical Outcomes of a Novel, Fast Acting Subperception SCS Therapy Engaging Surround Inhibition (FAST Prospective Study). Presented at the North American Neuromodulation Society Annual Meeting. Las Vegas, NV. Jan 2023
6. Malhotra, R Yerra S, **Wahezi, SE**. RCT for Percutaneous CHL Release for Adhesive Capsulitis. Presented at the Association of Pain and Neuroscience Annual Meeting. Orlando, FL. July, 2022
7. Malhotra, R Yerra S, **Wahezi, SE**. GTPS and Percutaneous Tenotomy, An Observational Study. Presented at the Association of Pain and Neuroscience Annual Meeting. Orlando, FL. July, 2022
8. Malhotra R, Yerra S, **Wahezi, SE**. ITB Percutaneous Tenotomy for GTPS, An Observational Study with 1 Year Durability Results. Presented at the New York State Pain Society Annual Meeting. Hyde Park, NY. March, 2022
9. **Wahezi, SE**. Percutaneous CHL Release for Adhesive Capsulitis, a Cross-Over RCT. Presented at the New York State Pain Society Annual Meeting. Hyde Park, NY. March, 2022
10. Anitescu, M, Loudermilk E, Trainor D, Noles J, Lee J, **Wahezi SE**, Wilson D, Chen L, Jain R. Prospective Multicenter Evaluation of Novel FAST, a Sub-Perception Based

- Spinal Cord Stimulation for Chronic Pain: FAST Study. Presented at American Society of Pain and Neuroscience Annual Meeting. July, 2022
11. Anitescu, M, Loudermilk E, Trainor D, Noles J, Lee J, **Wahezi SE**, Wilson D, Chen L, Jain R. Prospective Multicenter Evaluation of Novel Fast Acting Sub Perception Based Spinal Cord Stimulation for Chronic Pain: FAST Study. Presented at International Neuromodulation Society, 15th World Congress. Barcelona, Spain. May, 2022.
 12. Sim GY, Bloomfield A, Patel J, Sanchez J, Zacharoff K, Caparo M, **Wahezi SE**, Fontaine C, Nair S and Shaparin N (March, 2022). Potential Value of a Survey of Treatment Expectations on Patient Satisfaction with Chronic Pain Management: Preliminary results from a Prospective Study. Presented at the International Anesthesia Research Society, 2022 Annual Meeting. Honolulu, Hawaii.
 13. Sanchez J, Vydyanathan A, Gritsenko K, Aquino M, Farah F, Fontaine CG, Breidenbach K, Caparo M, **Wahezi SE**, Joco C, Nair S and Shaparin N. A Randomized Control Study Evaluating Smoking Cessation at a Pain Clinic. Presented at the International Anesthesia Research Society, 2022 Annual Meeting. Honolulu, Hawaii. March 2022
 14. Georgy, J. **Wahezi SE**. Cervical and Lumbar Medial Branch Block Volume Distribution Patterns and their Relationship to Radiofrequency Lesion Size. Poster presented at American Academy of Pain Medicine Annual Conference. Orlando, FL. March 2017
 15. Khan, A. **Wahezi SE**. An Unusual case of Pubic Symphysitis. Poster presented at American Academy of Pain Medicine Annual Conference. Orlando, FL. March 2017
 16. **Wahezi SE**. MIDAS ENCORE-Experiences from the Montefiore Medical Center Enrollment Site. Poster and presentation given at 2016 New York/New Jersey Interventional Pain Society in Jersey City, NJ. Awarded 3rd best poster.
 17. Alexeev, E. **Wahezi SE**. DRG stimulation for chronic hip arthritis. Poster and presentation given at 2016 New York/New Jersey Interventional Pain Society in Jersey City, NJ. Awarded best poster.
 18. **Wahezi SE**, Emam M, Silva K. Idiopathic Sacroiliitis. American Academy of Pain Medicine (AAPM) Annual Meeting, Washington DC. March, 2015
 19. **Wahezi SE**, Morice K, Chen x, Kim S. Unusual Ultrasound guided injections for spasticity. Presentation and Workshop given during American Academy of Physical Medicine and Rehabilitation Annual Meeting. November, 2014. Washington, DC
 20. Silva K, Emam M, Lederman A, Downie S, **Wahezi SE**. Cervical Third Occipital Nerve Blocks Concomitantly Affect the Greater Occipital Nerve. Poster and presentation given at 2014 New York/New Jersey Interventional Pain Society in Jersey City, NJ. Awarded best poster.

21. Shah J, **Wahezi SE**. Hypodermis Tension Loop as Preventative for Spinal Cord Stimulator Lead Migration. Poster and presentation given at 2014 New York/New Jersey Interventional Pain Society in Jersey City, NJ. Awarded top 4 poster.
22. Silva K, Najafi S, **Wahezi SE**. Pain relief through percutaneous trochanteroplasty in a patient with bilateral trochanteric myelomatous lytic lesions. Oral Presentation at Annual American Society of Interventional Pain Physicians in Louisiana, NO. March 2014. Awarded Top 5 best poster.
23. Reilly T, **Wahezi SE**. Bilateral Inferior Hypogastric Plexus Block: Novel Single Needle Approach. New York State Pain Society (NYSPS). West Harrison, New York. March 2014
24. **Wahezi SE**, Downie S, Olson T, Martinez A, Kim SY. Description of Ultrasound Guided Percutaneous Paddle Lead Placement for Treatment of Axial Low Back Pain. Oral Presentation at American Society of Regional Anesthesia (ASRA), 12th Annual Meeting. November, 2013. Phoenix, AZ
25. Nkadi P, **Wahezi SE**, Shah B, Kim SY. Treatment of Postherpetic Ophthalmic Neuralgia with Pulsed Radiofrequency. American Academy of Physical Medicine and Rehabilitation. October, 2013. Washington, DC
26. Drakes S M A, **Wahezi SE**, Shah B, Kim SY. 11/2013 Ultrasound Guided Radiofrequency Ablation of the Saphenous Nerve for Treatment of Saphenous Neuropathy. American Academy of Physical Medicine and Rehabilitation. October, 2013. Washington, DC
27. Algra J, Kim S, Sellers R, Shah B, **Wahezi SE**. Steroid particle aggregative properties in human serum. International Spine Intervention Society. July, 2013. New York City, NY
28. Katamesh T, Binod S, **Wahezi SE**. A novel and cost effective method for rapid Radiofrequency ablation (RFA). International Spine Intervention Society. July, 2013. New York City, NY
29. Algra J, **Wahezi SE**. Percutaneous Arthrodesis of the Lumbar Facet Joint with use of Bone Cement in the Cadaveric Human Spine. Poster Presented at 2012 New York/New Jersey Interventional Pain Society in Jersey City, NJ
30. **Wahezi SE**, Algra J, Kim, S. Percutaneous Arthrodesis of the Lumbar Facet Joint with use of Bone Cement in the Cadaveric Veal Spine. Poster Presented at 2012 Annual International Spine Intervention Society (ISIS) conference in Las Vegas, Nevada.
31. **Wahezi SE**, Algra J, Kim S. Percutaneous Arthrodesis of the Lumbar Facet Joint with use of Bone Cement in the Cadaveric Veal Spine. Oral Presentation at 2012 Annual American Society of Interventional Pain Physicians in Washington, DC. Awarded third best poster/research by American Society of Interventional Pain Physicians

32. Goel N, **Wahezi SE**. The Effect of Radio Contrast Agents on Lesion Size During Radiofrequency Ablation: Ex Vivo Study. Oral Presentation at 2011 Annual International Spine Intervention Society (ISIS) conference in Chicago, Illinois
33. Kohan K, Dokukin A, **Wahezi SE**, Seidman R. Sjogren's Syndrome presenting as Guillain-Barre Syndrome: A case Report. Poster Presentation at 2008 annual American Academy of Physical Medicine and Rehabilitation (AAPMR) 2009 annual meeting in Austin, TX
34. Patil A, **Wahezi SE**. B12 Deficiency in HIV as a cause for Misinterpreting HTLV-1 Myelopathy for Discogenic Low Back pain: A Case Report. Poster Presentation at 2008 annual American Academy of Physical Medicine and Rehabilitation (AAPMR) 2008 annual meeting in San Diego, CA
35. **Wahezi SE**, Sparr S A. Lyme Disease presenting as Radicular Low Back Pain: A Case Report. Poster Presentation at 2008 annual American Academy of Physical Medicine and Rehabilitation (AAPMR) 2008 annual meeting in San Diego, CA
36. **Wahezi, SE**. C6-C7 Osteomyelitis with Painless Upper Girdle Pyomyositis: A case report. Poster presentation at 2008 Association of Academic Physiatrists (AAP) annual convention in Anaheim, LA
37. **Wahezi SE**, Therattil M. Rehabilitation of a middle aged male with Cryofibrinogenemia, a multidisciplinary approach: A case report. Poster presentation at 2008 Association of Academic Physiatrists (AAP) annual convention in Anaheim, LA
38. Allu S, **Wahezi SE**, Ehrlich A, Sparr S. Acute Aortic Thrombosis Presenting as Inability to Ambulate: A case report. Poster Presentation at 2008 American Geriatric Society (AGS) annual convention in Washington, DC
39. **Wahezi, SE**. Adhesive Capsulitis symptoms in a patient with intracapsular shoulder abscess: A case report. Poster Presentation at 2007 annual American Academy of Physical Medicine and Rehabilitation (AAPMR) convention in Boston, MA

Invited Lectures

1. Wahezi, SE. Innovations in Vertebral Augmentation Procedures. Association of Pain and Neuroscience Annual Meeting. Miami, FL. July 2024
2. Wahezi, SE. Challenges with Pain Fellowship Programs Curriculum. Association of Pain and Neuroscience Annual Meeting. Miami, FL. July 2024
3. Wahezi, SE. Chronic Tendinopathic Pain: Understanding Nociception. Cornell Pain and Spine Symposium, New York, NY. May 2024
4. Wahezi, SE. Minimally Invasive Interventions for Lumbar Stenosis. AAPMR National Webinar. April 2024.
5. Wahezi, SE. The Future of Pain Medicine. Where are We Headed? NYU PMR Resident meeting. New York, NY. April 2024
6. Wahezi, SE. Percutaneous Tenotomy: Recent Evidence. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
7. Wahezi, SE. Advanced Imaging in Pain Management: When to Order and How to Interpret. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
8. Wahezi, SE. Vertbrogenic Pain Pathophysiology. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
9. Wahezi, SE. Telemedicine: What the Pain Physician Needs to Know about the Physical Exam. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
10. Wahezi, SE. How to Interpret the Language of Chronic Pain. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
11. Wahezi, SE. Teninopathy Pathophysiology and Repair. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
12. Wahezi, SE. Interventional Procedures for Chronic Shoulder Pain. AAPM 40th Annual Meeting. Scottsdale, AR. March 2024
13. Wahezi, SE. mild®, Interspinous Spacers, Percutaneous and Endoscopic Discectomies. Naional Webinar-Association of Pain Program Directors- ASRA Hot Topics. March 2024
14. Wahezi, SE. Ultrasound Guided Percutaneous Surgeries for Shoulder and Hip Pain. Updates in Clinical and Translational Science. Grand Rounds. Montefiore Medical Center Department of Rehabilitation Medicine. Bronx, NY. January 2024

15. Wahezi, SE. Spinal Cord Stimulation Certification Workshop. North American Neuromodulation Society Annual Meeting. Las Vegas, NV. January 2024
16. Wahezi, SE. Paving the Road for the Next Generation of Percutaneous Surgeries in Pain Medicine: Best Practices. North American Neuromodulation Society Annual Meeting. Las Vegas, NV. January 2024
17. Wahezi SE. The End of Public Health Emergency and Telemedicine: Updates, Documentation and the Physical Exam. Controlled Substance Management in IPM: Current Concepts. National ASIPP Webinar. January 2024
18. Wahezi, SE. Radiology of Radiculopathy. American Society of Regional Anesthesia and Pain Medicine Annual Meeting. New Orleans, LA. November 2023
19. Wahezi, SE. Taking a Pain History in the Complex Patient. American Society of Regional Anesthesia and Pain Medicine Annual Meeting. New Orleans, LA. November 2023
20. Wahezi, SE. Tendinopathy. American Society of Regional Anesthesia and Pain Medicine Annual Meeting. New Orleans, LA. November 2023
21. Wahezi, SE. Tendinitis and Tendinosis: Is Inflammation Good or Bad? American Society of Regional Anesthesia and Pain Medicine Annual Meeting. New Orleans, LA. November 2023
22. Wahezi, SE. Neuromodulation: Adaptive Stimulation American Society of Regional Anesthesia and Pain Medicine Annual Meeting. New Orleans, LA. November 2023
23. Wahezi, SE. How to Decipher the Language of Pain. New York Pain Medicine Congress. Annual Meeting. Jersey City, NJ. November 2023.
24. Wahezi, SE. Understanding Pain Fellowship Application and Matriculation: A Guide for Applicants. New York Pain Medicine Congress. Annual Meeting. Jersey City, NJ. November 2023.
25. Wahezi SE, Mahoney M, Jafar A, Pharmacology of Opioids. American Society of Regional Anesthesia and Pain Medicine. National Webinar. Sep 2023
26. Wahezi SE, Przkora R, Kohan L. Pain Fellowships: What you need to know about applying and matriculating. Association of Academic Physiatrists. National Webinar. Sep 2023
27. Wahezi SE, Mahoney M, Jafar A, Przkora R. Interpreting MRI and CT for Lumbar Pain interpretation. American Society of Regional Anesthesia and Pain Medicine. National Webinar. Sep 2023
28. Wahezi, SE, Abd-Syed A. The State of Pain Medical Education. American Society of Pain and Neuroscience Annual Meeting. Miami, FL July 2023

29. Wahezi, SE. Lumbar Stenosis Treatment Algorithms: Evidence Based Guidelines for the Pain Practitioner. New York State Pain Society. Westchester, NY. April, 2023.
30. Wahezi SE. Innovations in Percutaneous Surgery for the Palliative Care Patient. Grand Rounds. Division of Palliative Care. Montefiore Medical Center. Bronx, NY. April, 2023
31. Wahezi SE. Updates in Telemedicine: Documentation and the Physical Exam. Controlled Substance Management in IPM: Current Concepts. National ASIPP Webinar. January 2023
32. Wahezi SE, Anitescu M, Przkora. Innovative Percutaneous Surgery in Pain Medicine. Minimally invasive lumbar debulking and Interspinous Spacers for Lumbar Stenosis: Politics, Technique, and Outcomes. 21st Annual ASRA Meeting. Orlando. Nov 2022
33. Wahezi SE. Minimally Invasive Lumbar Decompression. Technique and Cadaver Lab. 21st Annual ASRA Meeting. Orlando. Nov 2022
34. Wahezi SE. Kyphoplasty. Technique and Cadaver Lab. 21st Annual ASRA Meeting. Orlando. Nov 2022
35. Wahezi, SE. Panel discussion: Pain Research integration into Clinical Practice. New York/New Jersey Society of Interventional Pain Physicians. Jersey City, NJ. November, 2022
36. Wahezi, SE.. The New Era of SCS. New York/New Jersey Society of Interventional Pain Physicians. Jersey City, NJ. November, 2022
37. Wahezi, SE, Kim C, Parikh S. The Future of Pain Medicine: Where are we Headed? The American Academy of Physical Medicine and Rehabilitation Annual Meeting. Baltimore, MD. October, 2022

66. Wahezi, SE. Interventional Procedures in Pain Management; Future Considerations. Nassau Community Medical Center PMR Grand Rounds. January, 2021
67. Wahezi, SE. Anticoagulation and Anti-Platelets: What the informed Pain Practitioner needs to know. American Society for Regional Anesthesiology (ASRA) National Quarterly Webinar. December, 2020
68. Wahezi, SE. Pain Fellowships: Interest, Application, and Matriculation. Eastern Pain Association (EPA) Annual Meeting Webinar. July, 2020
69. Wahezi, SE. Telemedicine for the Rehabilitation Physician. Current Guidelines for Billing, Coding, and The Physical Examination. Montefiore Rehabilitation Medicine Grand Rounds. Bronx, NY. July, 2020
70. Wahezi, SE. Telemedicine: How to Perform the Musculoskeletal Examination, a Guide for Primary Care Practitioners based on a Multidisciplinary Consensus Review. OPTUM Health 29th Annual Meeting, NYC, New York. Web based. Nov, 2020
71. Wahezi, SE. The Telemedicine Physical Exam for Rehabilitation and Pain Medicine

- Practitioners. Physical Medicine and Rehabilitation Grand Rounds. Bronx, NY. Oct 2020
72. Wahezi, SE. Applying to Pain Fellowships. Tips for a Successful Match and Beyond. Presentation given during American Academy of Pain Medicine (AAPM) Annual Meeting. Washington DC. March 2020
 73. Wahezi, SE. Education, Technique, Evidence, Billing-Coding for Percutaneous Pain Procedures. Presentation given during American Academy of Pain Medicine (AAPM) Annual Meeting. Washington DC. March 2020
 74. Wahezi, SE. Botulinm, Biologics, and IT Therapies for Chronic Pain Management. Presentation given during American Academy of Pain Medicine (AAPM) Annual Meeting. Washington DC. March 2020
 75. Wahezi, SE. Review of Consensus Guidelines for Minimally Invasive Treatment of Spinal Stenosis. Cornell Spine Center Grand Rounds. New York, NY. January 2020
 76. Wahezi, SE. Percutaneous Surgery and Minimally Invasive Lumbar Decompression. Presentation given during annual Memorial Sloan Kettering Pain Series. New York, NY. October 2019
 77. Wahezi, SE. Percutaneous Surgeries. What the Rheumatologist Needs to Know. Presentation given during Rheumatology Grand Rounds. Montefiore Medical Center. Bronx, NY. October 2019
 78. Wahezi, SE. Understanding Neuromodulation: Device Selection. Presentation given at North American Spine Society Annual Meeting. New York, NY September 2019
 79. Wahezi, SE. Advanced Procedures for the Interventional Pain Physician. Presentation and Workshop given at American Society of Research and Neuroscience (ASRN). Miami, FL. July 2019
 80. Wahezi, SE. Why Comprehensive Multidisciplinary Pain Management is an Asset to Resident and Fellow Education. Presentation given at ACGME Headquarters. Chicago, IL. June 2019
 81. Wahezi, SE. Pain Management Billing and Coding Strategies. Presentation given during the New York State Pain Society (NYSPS) Annual Meeting. West Harrison, NY May 2019
 82. Wahezi, SE. Percutaneous Debulking of the Ligamentum Flavum for the Treatment of Lumbar Spinal Stenosis. Presentation given during the New York State Pain Society (NYSPS) Annual Meeting. West Harrison, NY May 2019
 83. Wahezi, SE. Pharmacology of Opioids. Clinical Pearls for the Psychiatrist. Presentation given at Montefiore Medical Center Resident Lecture Series. Montefiore Medical Center. Bronx, NY. May 2019

84. Wahezi, SE. Pharmacology of Adjuvant Pain Medications. Clinical Pearls for the Physiatrist. Presentation given at Montefiore Medical Center Resident Lecture Series. Montefiore Medical Center. Bronx, NY. May 2019
85. Wahezi, SE. *mild*® ENCORE 2 year Results. What Does it Mean for the Future of Interventional Pain Management? Presentation given during Cornell Medical Center Pain Medicine Grand Rounds. New York, NY. May 2019
86. Wahezi, SE. Electrical Stimulation of the Spinal Cord for Pain Management: Anatomy, Physiology, and Practicality. Presentation given during Burke Rehabilitation Grand Rounds. White Plains, NY May 2019
87. Wahezi, SE. Stimulation of the Dorsal Roots for Chronic Pain. Lecture given at Annual Spine Symposium at Montefiore Medical Center. Cherkasky Auditorium. April, 2019
88. Wahezi, SE. Understanding the Musculoskeletal System to Improve the Treatment of Painful Conditions. Montefiore Medical Center. Presentation given during Internal Medicine Resident Lecture Series. Montefiore Medical Center. Bronx, NY. March 2019
89. Wahezi, SE. Technique, Documentation, Billing, and Coding for percutaneous lumbar decompression. Presentation given during American Academy of Pain Medicine (AAPM) Annual Meeting. Denver, CO. March 2019
90. Wahezi, SE. Technique, Documentation, Billing, and Coding for Vertebral Augmentation. Presentation given during American Academy of Pain Medicine (AAPM) Annual Meeting. Denver, CO. March 2019
91. Wahezi, SE. Spine Disorders in Sports Medicine. Presentation during Sports Medicine Grand Rounds. Montefiore, March 2019
92. Wahezi, SE. PMR Pain Fellowships: What Residents Need Know. Presentation given during Association of Academic Physiatrists (AAP) Annual meeting. Puerto Rico. February, 2019
93. Wahezi, SE. Percutaneous Treatments for Vertebral Tumors. Presentation given during Association of Academic Physiatrists (AAP) Annual meeting. Puerto Rico. February, 2019
94. Wahezi, SE. Surgical Treatments for Vertebral Tumors. Presentation given during Association of Academic Physiatrists (AAP) Annual meeting. Puerto Rico. February, 2019
95. Wahezi, SE. Percutaneous Image Guided Lumbar Decompression, a Review of the Evidence. Presentation given during Hospital for Special Surgery (HSS) Grand Rounds. January, 2019
96. Wahezi, SE. Understanding Neurostimulation for Chronic Pain. Presentation during Spine Center Grand Rounds. Montefiore, September 2018

97. Wahezi, SE. (Featured Speaker) *Lumbar Spinal Stenosis. MIDAS ENCORE 2 year data.* Presentation given at Montefiore Home Care Physical and Occupational Therapy Grand Rounds; Bronx, NY. October, 2018
98. Wahezi, SE. *What is DRG Neurostimulation?* Lecture given at Eastern Pain Association (EPA) Annual Meeting. New York, NY. November, 2018.
99. Wahezi, SE. Radiology Pearls for the Physiatrist. Presentation during PMR Resident Lecture Series. Montefiore, September 2018
100. Wahezi, SE. Examination Pearls for the Spine Physiatrist. Presentation during PMR Resident Lecture Series. Montefiore, September 2018
101. Wahezi, SE. Treatment of Chronic Pain Conditions using a “Hands-On Approach”. Presentation during PMR Grand Rounds. Montefiore, September 2018
102. Wahezi, SE. *DRG: Beyond the Reach of SCS.* Lecture given at 1st Annual Spine Symposium at Montefiore Medical Center. Cherkasky Auditorium. April, 2018
103. Wahezi, SE. James T Daus (Special Agent), JC Mannick (Special Agent). Opioid Awareness in the Bronx for Healthcare Professionals. Perspectives from the DEA. Presentation given during Pain Center Grand Rounds. Montefiore Medical Center. Bronx, NY. May 2018
104. Wahezi, SE. Neuropathic Arthropathy; Future or Philosophy? Presentation given during Cornell Medical Center Pain Medicine Grand Rounds. New York, NY. May 2018
105. Wahezi, SE. Different Devices used for Spinal Neuromodulation. Presentation given during New York Pain Society Annual Meeting. Westchester, NY. April 2018
106. Wahezi, SE. Neuropathic Arthropathy and Percutaneous Procedures for Joint Pain. Presentation given during Association of Academic Physiatrists Annual Meeting. Atl, Georgia. February, 2018
107. Wahezi, SE. *Interventional Pain Treatment for the Palliative Patient.* Presentation given during Montefiore Palliative Care Grand Rounds. November, 2017
108. Wahezi, SE. Erosa S. *The MILD Procedure: Evidence and Advancement.* Lecture given at Eastern Pain Association (EPA) Annual Meeting. New York, NY. November, 2017.
109. Wahezi, Sayed E. *How to Discuss Opiate Weaning with the Opiate Tolerant Patient: Do’s and Don’ts.* Lecture given during Multidisciplinary Pain Lecture Series. October, 2017.

110. Wahezi, SE. *The Subtleties and Complexities of Spinal Cord Stimulator Placement*. Workshop and lecture given during annual New York and New Jersey Society of Interventional Pain Physicians (NYNJSIPP). Jersey City, NJ. October 2017
111. Wahezi, SE. *Dorsal Column Stimulation: Patient selection and Outcomes*. Lecture Given at Nassau University Medical Center Department of PMR Grand Rounds. September, 2017. Mineola, NY
112. Wahezi, SE. *Interventional Treatments for Pain in End of Life Care*. Grand Rounds presentation at Winthrop University Hospital. Mineola, NY. Sept 2017
113. Wahezi, Sayed E. *Spinal Cord Pain Tracts*. Lecture given during Montefiore Pain Fellowship Board Preparation Lecture Series. August, 2017
114. Wahezi, Sayed E. *Anatomy of the Cervical, Thoracic, and Lumbar Spine*. Lecture given during Montefiore Pain Fellowship Board Preparation Lecture Series. August, 2017.
115. Wahezi, Sayed E. *Physics of Fluoroscopy*. Lecture given during Montefiore Pain Fellowship Board Preparation Lecture Series. July, 2017.
116. Wahezi, Sayed E. *The Complexities of the Dorsal Column*. Lecture given during Montefiore Pain Fellowship Board Preparation Lecture Series. July, 2017.
117. Wahezi, SE. *New Solutions to Treat Lumbar Spinal Stenosis with Neurogenic Claudication*. Presentation given during Cornell/New York Presbyterian Anesthesia Pain Grand Rounds. June, 2017
118. Wahezi, SE. *Interventional Treatment Options for Cancer Pain*. Presentation given during Montefiore Palliative Care Grand Rounds. May, 2017
119. Wahezi, SE. *Effect of Epidural Steroid Injections in Chronic Pain; A Debate*. Presentation given during annual New York Pain Society Meeting. West Harrison, NY. April 2016
120. Wahezi, SE. *Update on Percutaneous Image Guided Lumbar Decompression*. Presentation given during annual New York Pain Society Meeting. West Harrison, NY. April 2016
121. Wahezi, SE, Alexeev, E. *DRG Stimulation for Refractory, Non-Surgical Hip Arthritis*. Presentation given during annual New York and New Jersey Society of Interventional Pain Physicians (NYNJSIPP). Jersey City, NJ. November 2016
122. Wahezi, SE. *Mild® ENCORE trial. Experiences from the Montefiore Medical Center site*. Presentation given during annual New York and New Jersey Society of Interventional Pain Physicians (NYNJSIPP). Jersey City, NJ. November 2016
123. Wahezi, SE. *Update on Percutaneous Image Guided Lumbar Decompression*. Presentation given during New York Pain Society (NYPS) 7th annual meeting. April, 2017. Westchester, NY

124. Wahezi, SE. *Epidural Steroids in Treatment of Chronic Pain, the Great Debate*. Presentation given during New York Pain Society (NYPS) 7th annual meeting. April, 2017. Westchester, NY
125. Wahezi, SE. Medical and Interventional Pain Management. Lecture given during 1199 Annual Spine Surgical Series, November, 2016. New York, NY
126. Wahezi, SE. CRPS: Diagnosis and Treatment. Lecture Given at Nassau University Medical Center Department of PMR Grand Rounds. October, 2016. Mineola, NY
127. Wahezi, Sayed E. Advances in Interventional Pain Medicine-Safety, Evidence, and Patient Selection. Lecture given during Family Medicine Lecture Series. September, 2016
128. Wahezi, Sayed E. *Discussing Opiate Weaning with your patients: Do's and Don'ts*. Lecture given during Multidisciplinary Pain Lecture Series. August, 2016.
129. Wahezi, Sayed E. *Pain Management Fluoroscopy*. Lecture given during Pain Didactic Lecture Series. August, 2016
130. Wahezi, Sayed E. *Muscle Relaxants and Antiseizure Medications for Pain*. Lecture given during PMR Residency Didactic Lecture Series. May, 2016.
131. Wahezi, Sayed E. *Diagnosis and Treatment of Headache and Facial Pain*. Lecture given during Pain Fellowship Board Preparation Lecture Series. May, 2016.
132. Wahezi, SE. *Dorsal Column Neuromodulation*. Lecture given during Nassau University Medical Center Physical Medicine and Rehabilitation Grand Rounds. East Meadow, NY. May, 2016
133. Wahezi, SE. *Radiofrequency Ablation of Medial Branches*. Lecture given during Nassau University Medical Center Physical Medicine and Rehabilitation Grand Rounds. East Meadow, NY. May, 2016
134. Wahezi, SE. Common Musculoskeletal Pain Syndromes. Presentation given during New York Pain Society (NYPS) 6th annual meeting. April, 2016. Westchester, NY
135. Wahezi, SE. *Shoulder, Knee and Hand/Wrist Examination*. Musculoskeletal Workshop of our Introduction to Clinical Medicine (ICM) Program. Albert Einstein College of Medicine. March, 2016.
136. Wahezi SE. Development of an Interdisciplinary Research Team to Motivate Research in a Spine Pain Setting. Presentation given during Program for Academic Leadership (PAL) convention during Academy of Academic Physiatrists (AAP) Annual meeting. February, 2016. Sacramento, CA.

137. Wahezi, Sayed E. *Pain of the Thorax and Abdomen-Etiology and Treatments*. Lecture given during Pain Fellowship Board Preparation Lecture Series. March, 2016.
138. Wahezi, Sayed E. *Animal Models to Explain Pain-Difficulties and Evidence*. Lecture given during Montefiore Sports Medicine Fellowship Board Preparation Lecture Series. March, 2016.
139. Wahezi SE. *Sympathetic Injections and the Autonomic Nervous System*. Lecture given during Pain Fellowship Board Preparation Lecture Series. December, 2015.
140. Wahezi, SE. Learning How to Perform Percutaneous Disc Decompression. Presentation given during New York and New Jersey Association of Interventional Spine Physicians Annual Meeting. Jersey City, NJ. November, 2015
141. Wahezi, SE. Magnetic Guided Focused Ultrasound for the Treatment of Bone Cancer Pain. Presentation given during Eastern Pain Association Annual Meeting. Mt. Sinai Medical Center at Beth Israel. New York, NY. October, 2015
142. Wahezi, SE. *Spinal Cord Stimulation-Physiology and Technique*. Lecture given during Kessler Physical Medicine and Rehabilitation Grand Rounds. Saddlebrook, NJ. October, 2015
143. Wahezi SE. *Opiate Metabolism*. Lecture given during Pain Fellowship Board Preparation Lecture Series. October, 2015.
144. Wahezi, SE. Unusual Imaging Findings in the Patient with Spine Pain: To Treat Or Not To Treat? Let The Audience Decide. Presentation given during American Academy of Physical Medicine and Rehabilitation Annual Meeting. Boston, MA. Course Director. October, 2015
145. Wahezi, SE. The Opiate Debate-Physiatrist's Friend or Foe? Presentation given during American Academy of Physical Medicine and Rehabilitation Annual Meeting. Boston, MA. Course Director. October, 2015
146. Wahezi, SE. A Practical Guide to Uncommonly Performed Ultrasound-Guided Peripheral Nerve Blocks for Chronic Pain: Hands-On Workshop. Presentation and Workshop given during American Academy of Physical Medicine and Rehabilitation Annual Meeting. October, 2015
147. Wahezi SE. *Low Back Pain and Neck Pain in the Healthcare worker*. Lecture given during 1199 CME Pain Lecture Series. Times Center. New York, NY. September 2015
148. Wahezi SE. *Pain Assessment and Management in the Elderly*. Lecture given during Comprehensive Review of Pain Medicine Course at University of Wisconsin. Madison WI, August 2015

149. Wahezi SE. *Injection Procedures in Diagnosis and Treatment of Spinal Pain*. Lecture given during Comprehensive Review of Pain Medicine Course at University of Wisconsin. Madison WI, August 2015
150. Wahezi SE. *Neuropathic Inflammation: Nerve modulation therapies for the treatment of joint pain*. Lecture given at Musculoskeletal Orthopedic Research at Einstein-Montefiore (MORE Lecture Series). Albert Einstein College of Medicine, Price Center. June, 2015
151. Wahezi SE. *Pain Receptors and Pharmacotherapy*. Lecture given during Pain Fellowship Board Preparation Lecture Series. September, 2015.
152. Wahezi SE. *Fluoroscopy and Radiation Safety*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. July, 2015.
153. Wahezi SE. *Interventional Spine Procedures*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. August, 2015.
154. Wahezi SE. *Spine Anatomy*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. July, 2015.
155. Wahezi SE. *Geriatric Pain in the Pain Medicine Clinic*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. June, 2015.
156. Wahezi SE. *Neuropathy vs Nociception*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. May, 2015.
157. Wahezi SE. *Recognition and Etiology of Primary Headache*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. May, 2015.
158. Wahezi, SE. *Percutaneous Image Guided Lumbar Decompression/MiDAS ENCORE*. Lecture given during New York University Department of Physical Medicine and Rehabilitation Grand Rounds. April, 2015
159. Wahezi, SE. *Musculoskeletal Examination of the Shoulder, Knee, and Hand*. Workshop given to Albert Einstein College of Medicine 2nd year class as part of a clinical musculoskeletal module. March, 2015
160. Wahezi SE. *Multidisciplinary Pain Lectures as a Vehicle for Interdepartmental Quality Improvement and Patient Care*. Presentation given during Program for Academic Leadership (PAL) convention during Academy of Academic Physiatrists (AAP) Annual meeting. March, 2015. San Antonio, TX.
161. Wahezi, SE. *Neuropathic Arthritis and Nerve blocks for arthritis pain*. Lecture given during Rutgers Physical Medicine and Rehabilitation Grand Rounds. New Brunswick, NJ. February, 2015
162. Wahezi SE. *Thoracic Pain*. Lecture given during Pain Fellowship Board Preparation Lecture Series series. January, 2014.

163. Wahezi SE. *Autonomic Nervous System and Sympathetic Blocks*. Lecture given during Pain Fellowship Board Preparation Lecture Series. December, 2014.
164. Wahezi SE. *The Neuropathy of Arthritis*. Lecture given during Montefiore Medical Center Rheumatology Grand Rounds. December, 2014.
165. Wahezi SE. *Sacroiliac Joint Disease-Identification and Treatment*. Lecture given during Multidisciplinary Spine Conference. November, 2014.
166. Wahezi SE. *Indications for Spinal Cord Stimulation Therapy*. Lecture given during Multidisciplinary Pain Conference. November, 2014.
167. Wahezi SE. *Lumbar Spinal Stenosis*. Lecture given during Montefiore Medical Center Geriatrics Grand Rounds. October, 2014.
168. Wahezi SE. *Interventional Treatments in Cancer Pain*. Lecture given during Multidisciplinary Pain Rounds. October 2014.
169. Wahezi SE. *Adjuvant Pain Medications*. Lecture given during Pain Fellowship Board Preparation Lecture Series, October 2014.
170. Wahezi, SE. *Unusual ultrasound blocks for spasticity management*. Presentation given during American Academy of Physical Medicine and Rehabilitation Annual Meeting. San Diego, November 2014
171. Wahezi, SE. *Fundamentals and Introduction to Cadaveric Dissection*. Lecture given to Albert Einstein College of Medicine 1st year Medical students as part of Anatomy series. October 2014
172. Wahezi SE. *Opiate Metabolism*. Lecture given during Pain Fellowship Board Preparation Lecture Series, October 2014.
173. Wahezi SE. *mild® ENCORE and the Future of Interventional Pain Management*. Oral presentation given during Montefiore Medical Center Internal Medicine Grand Rounds. September, 2014
174. Wahezi SE. *Pharmacology and Receptor Dynamics*. Lecture given during Pain Fellowship Board Preparation Lecture Series, September, 2014.
175. Wahezi SE. *Fluoroscopic Physics and Dynamics*. Lecture given during Pain Fellowship Board Preparation Lecture Series, August 2014.
176. Wahezi SE. *Spine Anatomy*. Lecture given during Pain Fellowship Board Preparation Lecture Series, August 2014.
177. Wahezi SE. *Imaging of the SIJ, Lumbar, and Cervical Spine*. Lecture given during PMR resident didactic session. July, 2014.
178. Wahezi SE. *Validated Outcome Measures in Pain Management*. Lecture given during Multidisciplinary Pain Conference. July, 2014.

179. Wahezi SE. *Identification of Depression, Anxiety, and Mood Disorder in the Chronic Pain Patient*. Lecture given during Multidisciplinary Pain Conference. June, 2014.
180. Wahezi SE. *Referred Pain Syndromes*. Lecture given during Multidisciplinary Pain Conference. May, 2014.
181. Wahezi SE. *Neuropathic Pain Diagnosis and Treatment*. Lecture given during Pain Fellowship Board Preparation Lecture Series, April 2014.
182. Wahezi SE. *Assessment of the Chronic Pain patient*. Lecture given during Multidisciplinary Pain Conference, April 2014.
183. Wahezi, SE. *Ultrasound Assessment of the Neck*. Course Instructor. New York Society of Physical Medicine and Rehabilitation (NYSPMR) musculoskeletal workshop. Montefiore Medical Center. February 2014
184. Wahezi SE. *Innovating and Emerging Technologies-Hydrodiscectomy*. Presentation given during American Society of Interventional Pain Physicians (ASIPP) annual meeting in New Orleans, Louisiana, April, 2014
185. Wahezi SE. *mild® Impact on the Future of Interventional Pain Management*. Presentation given during New York Society of Physical Medicine and Rehabilitation (NYSPMR) Grand Rounds lecture series. March 2014
186. Wahezi SE. *Pain Management in the Elderly*. Lecture given during Pain Fellowship Board Preparation Lecture Series, February 2014.
187. Wahezi, SE. *Ultrasound Assessment of the Knee*. Course Instructor. New York Society of Physical Medicine and Rehabilitation (NYSPMR) musculoskeletal workshop. Montefiore Medical Center. February 2014
188. Wahezi SE. *Ultrasound Assessment of the Shoulder*. Course Instructor. New York Society of Physical Medicine and Rehabilitation (NYSPMR) musculoskeletal workshop. Montefiore Medical Center. January 2014
189. Wahezi SE. *Spinal Cord Stimulation*. Lecture given during Multidisciplinary Spine Conference Lecture Series. December 2013.
190. Wahezi SE. *Sympathetic Blocks*. Lecture given during Pain Fellowship Board Preparation Lecture Series. December 2013.
191. Wahezi SE. *Introduction to Cadaveric Dissection*. Presentation given to 1st year medical students at Albert Einstein College of Medicine, Department of Gross Anatomy and Histological Sciences. October 2013
192. Fortin JD, Seghal N, Akuthata V, Zachary A, Wahezi SE. *Spine Imaging Challenge*. Workshop lecture given during American Academy of Physical Medicine and Rehabilitation (AAPMR) annual meeting, Washington DC. October 2013.

193. Wahezi SE. *Mechanisms of Neuropathic Pain*. Lecture given during Pain Fellowship Board Preparation Lecture Series, October 2013.
194. Wahezi SE. *Cervical Spine Imaging*. Presentation given during Residency Musculoskeletal lecture series, September 2013
195. Wahezi SE. *Performance and Complications of Interventional Spine Pain Procedures*. Presentation given during Residency Musculoskeletal lecture series, September 2013
196. Wahezi SE. *Physical Exam of Soft Tissue Pain Generators in Children*. Oral Presentation given during Montefiore Medical Center Pediatric Rheumatology Grand Rounds, August 2013
197. Wahezi SE. *Fluoroscopy Dynamics*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, July 2013
198. Wahezi SE. *Inpatient Low Back Pain*. Oral Presentation given during Jacobi Medical Center Rehabilitation Medicine Grand Rounds, February 2013
199. Wahezi SE. *Opioid Pharmacology and Metabolism*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, February 2013
200. Wahezi SE E. *Pain Medication Prescribing in the Patient with Renal Failure*. Oral Presentation given during Jacobi Medical Center Nephrology Grand Rounds, February 2013
201. Wahezi SE. *Fibromyalgia*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, January 2013
202. Wahezi SE. *Local Anesthetics*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, November 2012
203. Wahezi SE. *Conservative Management of Neck Pain*. Oral Presentation given during Montefiore Medical Center 9th annual Degenerative Spine Symposium lecture series, November 2012
204. Wahezi, SE. *Fundamentals and Introduction to Cadaveric Dissection*. Lecture given to Albert Einstein College of Medicine 1st year Medical students as part of Anatomy series. October 2012
205. Wahezi SE. *Conservative Management of Neck and Low Back Pain*. Oral Presentation given during Montefiore Medical Center Neurosurgery lecture series, October 2012
206. Wahezi SE. *Pain Treatment in the General Rehabilitation Clinic*. Oral Presentation given during Montefiore Medical Center General Rehabilitation lecture series, September 2012

207. Wahezi SE. *Mechanisms of Neuropathic Pain*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, September 2012
208. Wahezi SE. *Spinal Cord Stimulation*. Oral presentation given during Montefiore Medical Center Rheumatology Grand Rounds. May 2012
209. Wahezi SE. *Head and Facial Pain*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, March 2012
210. Wahezi SE. *Acute Tissue Pain*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, January 2012
211. Wahezi SE. *Interventional Management of Facet Arthropathy and Lumbar Spinal Stenosis*. Oral presentation given during Montefiore Medical Center Rheumatology Grand Rounds. December, 2011
212. Wahezi SE. *Non-narcotic Pain Pharmacology*. Oral Presentation given during Montefiore Medical Center Pain Fellow lecture series, November 2011
213. Wahezi SE. *Management of the Pain Patient in the General Rehabilitation Clinic* Oral Presentation given during Montefiore Medical Center Rehabilitation Medicine Resident and Fellow lecture series, October 2011
214. Wahezi SE. *Pain Pharmacology*. Oral Presentation given during Montefiore Pain Fellow lecture series, September 2011
215. Wahezi SE. *Physical Examination of the Spine and Hips in the Outpatient Setting*. Oral Presentation given during Montefiore Medical Center Rehabilitation Medicine Resident and Fellow lecture series, August 2011
216. Wahezi SE. *Cervical Interventional Procedures*. Oral Presentation given during Montefiore Medical Center Rehabilitation Medicine Orthopedics Module lecture series, June 2011
217. Wahezi SE. *Cervical Pain History and Physical Examination*. Oral Presentation given during Montefiore Medical Center Rehabilitation Medicine Orthopedics Module lecture series, June 2011
218. Wahezi SE. *Cervical Anatomy*. Oral Presentation given during Montefiore Medical Center Rehabilitation Medicine Orthopedics Module lecture series, June 2011
219. Wahezi SE. *Palliation by Intervention*. Oral presentation given during Montefiore Medical Center Palliative Care Grand Rounds. March, 2011
220. Wahezi SE. *Diagnosis and Management of Low Back Pain and Neck Pain in the Outpatient setting*. Oral presentation given during Montefiore Medical Center Internal Medicine Faculty Rounds. February, 2011

221. Wahezi SE. *Diagnosis and Treatment of Low Back Pain in the Inpatient Setting*. Oral presentation given during Montefiore Medical Center Palliative Care and Family Medicine Grand Rounds. October, 2010
222. Wahezi SE. *Fluoroscopy Physics and Dynamics*. Oral presentation given during Montefiore Medical Center Physical Medicine and Rehabilitation resident lecture series. September, 2010
223. Wahezi SE. *Interventional Pain Management of the Spine in Rheumatologic Disorders*. Oral presentation given during Montefiore Medical Center Rheumatology Grand Rounds. September, 2010
224. Wahezi SE. *Interventional Management of the Head and Neck*. Oral presentation given during Montefiore Medical Center Rehabilitation Grand Rounds. May, 2010.
225. Wahezi SE. *The Etiology of Fibromyalgia. A Review of Literature*. Oral presentation given during Montefiore Medical Center Rehabilitation Grand Rounds. November, 2008.
226. Wahezi SE. *Acute Motor Sensory Axonal Neuropathy (AMSAN) type Guillan Barre Syndrome in the United States: a Case Report and Review of Literature*. Oral presentation given during Montefiore Medical Center Rehabilitation Grand Rounds. March, 2007.

Media Presentations

Wahezi, SE. AAPM 2022, A Clinician's Perspective. Invited by Practical Pain Management Online Medical Educational Group to provide a summary of the 38th Annual American Academy of Pain Medicine Meeting.
<https://www.practicalpainmanagement.com/news/aapm-2022-clinician-perspective>

Wahezi, SE. Is Chronic Pain Management Right for your ASC? Invited by Outpatient Surgery Magazine. <https://digital.outpatientsurgery.net/view/435180758/12/>

Wahezi SE. Low Back Pain Treatment and Prevention. Invited by ABC® for 30 minute online commentary on epidemiology and treatment of low back pain. December, 2015

Wahezi SE. Comment on JAMA article: Prevention of Low Back Pain: A Systematic Review and Meta-Analysis. Invited by vertical health online publication (<http://www.verticalhealth.com>) to provide review and clarification of this article. January 2016.

Wahezi, SE. More evidence that Exercise Prevents Low Back Pain. Practical Pain Management Online.

<http://www.practicalpainmanagement.com/patient/treatments/physical-therapy-rehabilitation/4-easy-moves-strengthen-your-core-minutes-day?page=6#top>. March 2016.

Rosemary Black. Commentary by Wahezi, SE. 4 Easy Moves to Strengthen Your Core in Minutes a Day. Pain Management Online.

<http://www.practicalpainmanagement.com/patient/treatments/physical-therapy-rehabilitation/4-easy-moves-strengthen-your-core-minutes-day?page=0#top>. March 2016.

Rosemary Black. Commentary by Wahezi, SE. Perfect Posture Helps You Put Your Best Foot Forward. <http://www.practicalpainmanagement.com/patient/conditions/posture/perfect-posture-helps-you-put-your-best-foot-forward>. March 2016.
